TIMELINE:

Deconstruction will begin on May 15, 2007 and will continue for approximately one week as items are dismantled and inventoried. A crew of 4 will dismantle these items.

SOURCE:

Materials will first be donated locally, through word of mouth and through postings on Summit Freecycle. Additional items will be listed in the Summit Daily's Swap for Charity. Any materials not donated locally will be delivered to the Habitat Home Outlet in Gypsum on or before May 27, 2007.
