Nominator's info (phone & e-mail):

Category (see category descriptions below):

- The Organic Fertilizer Award
- The Julia Butterfly Hill Individual Achievement
- The Essential Earthy Employee Award
- The Green Machine Public Works
- The Lisa Simpson Outstanding Youth Award
- The Greener Summit Business Award
- The Building a Greener Future Award

Brief Description of their sustainability efforts:

The Organic Fertilizer Award, for an educator in our community who inspires community members to take proper care of the planet.

The Julia Butterfly Hill Individual Achievement Award, for an individual who makes our community greener and keeps an eye on the environmental movement of our community.

The Essential Earthy Employee Award, for an employee that advocates for environmental practices to be instituted within the workplace.

The Green Machine Public Works, which recognizes a local government program that goes beyond the standard for environmental programs.

The Lisa Simpson Outstanding Youth Award, for youth that work to better the environment.

The Greener Summit Business Award, for a local business that makes an effort to institute environmental programs for their employees or clients.

The Building a Greener Future Award, for a builder or designer that uses green building practices in their everyday operations.

Nominations are due Friday, April 15th and can be e-mailed to erin@highcountryconservation.org or mailed to the High Country Conservation Center @ PO Box 4506, Frisco, CO 80443
