

GREENHOUSE GARDEN PLOT APPLICATION

Greenhouse is located at the Community & Senior Center in Frisco, CO.

For those sharing a garden plot, please submit one application per plot and designate one person as the responsible plot holder. Plots will be allocated by the Summit Prevention Alliance (SPA) staff. Priority will be given to the target audience: low-income individuals and seniors that live in Summit County, CO. Sponsored plots will be available to non-profits and other groups that will serve our target audience. (Sponsored plots can have others in their organizations participate that do not meet the target audience as long there are people using the plot that do meet the target audience.) **Low-income is defined as:** eligible to receive Supplemental Nutrition Assistance Benefits (food stamps) and/or eligible to receive free or discounted care at the Summit County Community Care Clinic. **A senior is defined as:** 55 years of age and older.
